RE: Installation of New Systems

Dear Homeowner(s):

I have been informed that I may have to vacate my apartment for a period of a few hours to a few days sometime in the next several months, when the installation of the new systems takes place. I will be given at least 48 hours notice as to when that will take place.

In order for me to move into my apartment at Castle Beach I have been notified that I must agree to this by order of the City of Miami Beach Fire Marshall. I also agree and understand that the Castle Beach Club Condominium Association has no obligation to pay for my relocation costs during this time period.
